About Us

All Valves Online Ltd are a valve actuation specialist supplying into a variety of industries using a wide range of products for many applications. Specialising in the assembling and testing of actuated ball and butterfly valve packages, in addition to the supply of a variety of manual valves including knife gate valves, strainers, gates and globes. All Valves has spent the last 5 years building strong relationships with some of the worlds leading brands.

Stafsjö
SINCE 1666

Quality Assurance

ISO 9001-2015 certified company ensuring quality products from a quality supplier. We assemble and test our valve actuation packages ensuring you receive in 100% working condition. We serial number trace all our electric actuators for full traceability. Wherever possible, we work with ISO and TUV accredited manufacturers of valves and actuators.
