Ball and Butterfly Valves

About Us

All Valves Online Ltd are a valve actuation specialist supplying into a variety of industries using a wide range of products for many applications. Specialising in the assembling and testing of actuated ball and butterfly valve packages, in addition to the supply of a variety of manual valves including knife gate valves, strainers, gates and globes. All Valves has spent the last 5 years building strong relationships with some of the worlds leading brands.

Stafsjö
SINCE 1666

Quality Assurance

ISO 9001-2015 certified company ensuring quality products from a quality supplier. We assemble and test our valve actuation packages ensuring you receive in 100% working condition. We serial number trace all our electric actuators for full traceability. Wherever possible, we work with ISO and TUV accredited manufacturers of valves and actuators.

Industry served

Water Treatment

Pharamaceuticals

Biogas and AD

HVAC & Refrigeration

Brewing and WRAS drinking water
