3 WAY VALVES FROM ALLVALVES

Allvalves work with a number of manufacturers of 3 way valves in both metal and plastic. Allvalves stock a full range of 3 way plastic ball valves in both L port and T port which can be supplied lever operated or actuated, via electric or pneumatic actuators.

If you are unsure about which Flow Path you need, please do not hesitate to contact our technical sales team.

3 WAY 3 POSITION CONFIGURATION EXAMPLE

If you are looking for special executions such as 3 position 3 way valves as shown below, we can supply actuated valves set to 3 position, 0-45-90 degrees or 0-90-180 degrees for example.

3 Way Manual Valves

3 Way Actuated Valves

3 Way Plastic or Metal
